

Lagos state community champion? 

# COMMUNITY CHAMPION

Who are community champions?

A Community Champion is a trusted member of their community who serves as a bridge between citizens and government. Their role is to listen to the needs and concerns of their neighbours, share accurate information, and bring feedback to government, ensuring that every community's voice helps shape policies and programs.

Who is a Community Champion?

# Welcome

## Champion your community

### Your voice matters

Join our network of Community Champions and make a real difference, whether it's promoting local events, uplifting voices, or fostering positive change in your community.

# Your Role As A Community Champion

1. Bridge Between Citizens and Government
2. Community Engagement Activities
3. Feedback Collection & Reporting
4. Promoting Inclusiveness
5. Community Mobilizer

# Dear Community Champions

It gives me great pleasure to welcome you to the Community Champions Initiatives of the Lagos State Government. By stepping forward, you have chosen to play a vital role as a bridge between your community and government. Your commitment is both inspiring and invaluable.

As a Community Champion, you are not only a voice for your neighbours but also a partner in shaping a Lagos that works for everyone. Your role is to listen, to share truthful and clear information, and to carry forward the concerns and aspirations of the people you represent. In doing so, you help us build stronger trust, foster accountability, and create open channels of dialogue that will make governance more inclusive and effective.

I urge you to embrace this responsibility with passion and integrity. Remember that every conversation you have, every conversation you share, and every feedback you bring back is a step towards building the kind of society we all desire—one where citizens are heard, and government is responsive.

Together, we can ensure that the voices of our people guides our progress, and that no community is left behind. Thank you for joining us on this journey.

sincerely,

Permanent Secretary  
Office of Political, Legislative and Civic Engagement  
Lagos State.
